## American Rescue Plan (ARP) ESSER Fund Survey

The American Rescue Plan (ARP) Elementary and Secondary School Emergency Relief Fund (ESSER) is providing funding to the state of Texas and school districts to address COVID-19 recovery.

Brazos River Charter School is applying for federal ESSER funding and needs your input. The purpose of these funds is to address learning loss and academic needs related to the impact of the COVID-19 pandemic. Funds must address students' academic, social, and emotional needs resulting from the impact of COVID-19 and cannot be used to contribute to employee annual income.

Please respond to this 2 minute survey by 5:00 pm on Tuesday, June 22<sup>nd</sup>.
